SESSION ONE

Afghanistan Archival Group

28001 Large Grouping of Afghanistan Archival Photographs

This group of 59 archival photographs spans from the 1930s to 1970s. It starts with a single Kingdom Treasury Issue and runs into Bank of Afghanistan. Many of the pieces are dated, typically months before the issued date, and most feature serial numbers. The presentation from beginning to end points to a bank or printer employee that was assembling the photographs for bank records. Nearly all are mounted on cardstock and have been removed from another backing, presumably an archival book as one fully intact page would indicate. Included are photos of some of the following Pick numbers:

- Pick 19 50 Afghanis;
- Pick UNL, 1317 (1939) 50 Afghanis;
- Pick 21, 27A;
- Pick 29, 30, 31;
- Pick 39;

And approximately 48 whole and partial design pieces of unissued or nearly as-issued designs on cards dated 19.7.65, 21.10.65, 10.2.67, 6.10.69, and 9.3.73. **(Total: 59 items) (5,000-7,000)**

Starting Bid: \$4,000

AFGHANISTAN

28002 **Afghanistan** 5; 10; 10; 10; 50; 50 (2); 5 Afghanis SH1305-ND (1926-29) Pick 7c; 8; 9a; 9b; 10a; 10b (2); 11.

One Pick 10b has several year date stamps on it. **Very Fine** or better. (Total: 8 notes) (900-1,100)

Starting Bid: \$600

28003 **Afghanistan** Ministry of Finance 2; 5; 10; 20; 50; 100 Afghanis 1936 Pick 15; 16; 17; 18; 19; 20.

The three lowest denominations have block letters and red serial numbers while the three larger denominations (20, 50, 100 Afghanis) have only block letters. Also included is a sheet of blank watermarked paper used to print the 5 or perhaps 10 Afghanis denomination. The 2 Afghanis note grades **Extremely Fine** while the other denominations grade **Crisp Uncirculated**. (Total: 7 items) (1,200-1,500)

Starting Bid: \$850

28004 **Afghanistan** Bank of Afghanistan 20 Afghanis SH1318 (1939) Pick 24a.

Any sign of a distinct fold is now all but obscured by the third party holder. This widely margined, pen cancelled example grades PCGS **Choice About New 58**. (1,500-2,000)

Starting Bid: \$800

28005 **Afghanistan** Bank of Afghanistan 20 Afghanis SH1318 (1939) Pick 24a.

The 20 Afghanis is perhaps the most elusive denomination of the 1939 issue. This lightly folded example is housed in a problem free holder and still retains much of its original freshness and is notoriously difficult to find outside of the most heavily circulated grade ranges. PCGS **Extremely Fine 45**. (3,000-5,000)

Starting Bid: \$3,000

28006 **Afghanistan** Bank of Afghanistan 500 Afghanis SH1318 (1939) Pick 27.

The last two third party grade 63 and above Pick 27 examples to cross the auction block that we know about was in 2017. Both were graded by PMG and neither earned the EPQ grade modifier. They were a 63 and a 64 and they received winning bids in the \$1,872 to \$2,643 range respectively. Tonight's offering grades PCGS **Choice New 63PPQ** with paper originality. (2,500-3,500)

Starting Bid: \$2,000

1000 Afghanis SH1318 (1939) Pick 27A

28007 **Afghanistan** Bank of Afghanistan 1000 Afghanis SH1318 (1939) Pick 27A.

A nicely preserved example well worth the grade of PCGS **Choice New 63**. It does show embossing through out the note. A PMG 55 Pick 27A realized a final price of \$3,231.25 in 2017. (4,000-6,000)

Starting Bid: \$3,500

28008 **Afghanistan** Bank of Afghanistan 500 Afghanis SH1327 (1948) Pick 35a.

Afghanistan's 1948 issue has some of the most colorful, aesthetically pleasing notes that the country has ever issued. This example, which grades PCGS **Very Choice New 64PPQ**, is no exception. (1,500-2,000)
Starting Bid: \$1,000

28009 **Afghanistan** Bank of Afghanistan 1000 Afghanis SH1327 (1948) Pick 36.

A wonderful array of color sweeps across this high denomination issue. Four wide margins round out a true Gem presentation. PCGS **Gem New 65PPQ**. (1,200-1,500)
Starting Bid: \$1,200

28010 **Albania** Banca Nazionale d'Albania 100 Franka Ari ND (1926) Pick 4a.

King Zog I's portrait appears at right on this colorful large format note. It also features a watermark of Skanderbeg, a 15th century Albanian nobleman and military leader. Auction appearances for this number have been few. PMG **About Uncirculated 50**, with some light stains in the upper right margin. (2,000-3,000)

Starting Bid: \$1,000

28011 **Albania** Banca Nazionale 100 Franka Ari ND (1926) Pick 4sp Specimen Proof.

At the grade of PMG **Uncirculated 62 EPQ**, this is easily the nicest of the three Pick 4sp notes to participate in auctions within the last four years that we know about. The last example to cross the auction block was in 2017 when a raw 45 realized \$1,320. (2,000-3,000)

Starting Bid: \$1,000

28012 **Algeria** Bank de l'Algerie 1000 Francs ND (1942) Pick 89s Specimen.

PMG has graded only one example of this Specimen equal with none higher. A raw XF Pick 89s realized over \$1,400 in 2014. PMG **Gem Uncirculated 65 EPQ**. (2,500-3,500)

Starting Bid: \$1,250

28013 **Angola** Banco Nacional Ultramarino 20 Escudos 1.1.1921 Pick 59s Specimen.

A handsome Specimen with excellent margins and color. Two red ink "ANGOLA" overprints are seen on this example that earned a grade of PMG **Choice Uncirculated 64** with the usual printer's annotations. (750-1,000)

Starting Bid: \$370

28014 **Angola** Banco De Angola 20 Angolares 1951 Pick 83s Specimen. Salvador Corr a de S  e Benevides and the Reconquest of Luanda (1648) are featured on this example issued for the Portuguese possession in Africa. Previous mounting is noted. PMG **Choice Uncirculated 64**. (700-900)

Starting Bid: \$350

28015 **Angola** Banco De Angola 1000 Angolares 1.3.1952 Pick 86s Specimen.

A Specimen number that we have not entertained before and is also not valued in any grade in the Krause reference. PMG **About Uncirculated 55**, previously mounted. (2,000-3,000)

Starting Bid: \$1,000

28016 Argentina Banco Oxandaburu y Garbino 4 Reales Bolivianos 2.1.1869 Pick S1781r Remainder, Uncut Sheet of Nine.

An always popular design in a rare format. From the serial numbers, it can be seen that the entire sheet is three notes, as seen here. A solid, well preserved example. **PMG Choice Uncirculated 63.** (1,000-1,500)

Starting Bid: \$500

28017 Australia Union Bank Bathurst Branch £1 ND (1854-60) Pick UNL MVR2asp Specimen Proof.

Unlisted in the Krause catalog, this London based bank finally bowed out of the Australian banking scene in 1951. A portrait of Queen Victoria is featured in the upper left, surrounded by finely detailed engravings as expected of this Perkins Bacon design. A pencilled date of May 26, 1854 appears at lower left. Some minor toning is evident, along with some ink bleed through from another note, which was resting on this note's face. **PMG About Uncirculated 53.** (800-1,200)

Starting Bid: \$400

28018 Australia Town and Country Bank £10 1.12.1881 Pick UNL RMVR1 Specimen.

The Town and Country Bank was a short-lived affair which was in business from only 1881-86. This Specimen is probably from the printer's archives and is roulette cancelled SPECIMEN / B W & Co / LONDON. **PMG Gem Uncirculated 65 EPQ** with printer's annotations noted. This probably refers to a lightly penciled date of Dec 21/82 on the face above and to the left of the bank title. (3,000-5,000)

Starting Bid: \$1,500

28019 Australia The London Chartered Bank of Australia £10 1.2.1882 Pick UNL Specimen.

A bank that has evaded the Krause reference. This is only the second note that we have auctioned on this rare bank. It is also the first £10 example on this bank to participate in our auctions. **PMG Choice Uncirculated 64**, printer's annotations and a minor foreign substance. (3,000-5,000)

Starting Bid: \$1,500

28020 **Australia** Commonwealth of Australia £1 ND (1918) Pick 4d R21.

A rare World War I era note, this attractive second issue note has a gold mining scene on the back. PCGS **Fine 15PPQ**. (2,500-3,000)

Starting Bid: \$1,250

28021 **Australia** Commonwealth of Australia £1 ND (1933-38) Pick 22 R28.

King George V is featured on this popular design with Riddle-Sheehan signatures in dark green. PMG **Choice About Uncirculated 58**. (700-900)

Starting Bid: \$350

28022 **Azerbaijan** State Loan Bonds 250; 500; 1000 Manat 1993 Pick 13A; 13B; 13C.

These colorful bonds are not valued in any grade in Krause. On page 75 of that reference, it is stated that these bonds circulated as currency from 1993 to June 1, 2000, but they were not always accepted as a medium of exchange. This trio has been graded by PCGS and in Pick numerical order they grade, **Choice About New 58PPQ**, **Extremely Fine 45**, and **Very Fine 35** with a small edge split at top center and stains. (Total: 3 items) (800-1,200)

Starting Bid: \$400

28023 **Azores** Banco de Portugal 5 Mil Reis Prata 30.1.1905 Pick 9.

A rare early Azores note in black, dark green, and brown with a finely engraved vignette featuring three figures and coat of arms at upper center. The arms is also featured on the back and it is overprinted with "MOEDA INSULANA" in black instead of red as described in The Standard Catalog. The face and back proofs are from the ABNCo archives and are for the 1905 2 Peso issue. The face proof has August 1904, F-439 above the design which was printed and then attached to the cardstock. The back design was also attached to cardstock after being cut down to the edges of the design. PMG grades the face proof **Choice Uncirculated 63 Net** noting what appear to be glue stains that have had some effect on the left end of the proof. The back proof was printed, cut down to the edges of the design, and mounted on cardstock. PMG grades the face proof **Uncirculated 62 Net** noting glue stains and a tear. 1000 Pesos 1944 Specimen

28212 Cuba Republica de Cuba 1000 Pesos 1944 Pick 76s Specimen.

A great Cuban rarity from the Certificado de Plata issue. The inflation of World War II produced a need for this high denomination and the ABNCo complied with this design that features a portrait of Tomas Estrada Palma, the first president of Cuba. This well centered PMG **Choice About Unc 58 EPQ** Specimen is well inked and has paper originality. (5,000-7,000)

Starting Bid: \$2,500

28213 Missing Underprint Error Cuba Banco Nacional de Cuba 500 Pesos 1950 Pick 83.

The brilliant pink underprint with repeating "Banco Nacional de Cuba" is glaringly missing from this higher denomination. Yet, the red inks of the serial numbers and seal of the bank remain deep, with light traces of intaglio still seen, indicating the underprint printing which was only printed on the face was skipped in error. A very elusive type that has seen service in commerce, but has not been identified until now. For the benefit of collectors, an accessible estimate will be used. PMG **Very Fine 30**. (1,000-1,500)

Starting Bid: \$500

28214 Cuba Banco Nacional de Cuba 1000 Pesos 1950 Pick 84.

A near-perfect issued example of this 1000 Peso note that has four broad margins and vibrant color. In our September 2017 auction, a PMG 66 EPQ note realized \$780. PMG **Superb Gem Unc 67 EPQ**. (900-1,200)

Starting Bid: \$450

Double Denomination 50/100 Pesos Error

28215 Cuba Banco Central de Cuba Double Denomination Error 50/100 Pesos 2001 Pick 119.

The second example of this note we have featured, both with the 311030 serial number, but different BC-09 block number. The earlier BC-06 block note realized \$8,812.50 in 2015. A rare double denomination error where a 50 Peso face was printed on a 100 Peso back. Double denominations in the world paper money field are truly rare. This is proven by the fact that the World Paper Money Errors reference by Morland C. Fischer uses a piece of Notgeld to illustrate this type of error. Also in that reference, the double denomination error was not given its own multi-page chapter, ending up in the miscellaneous category. This was probably because Mr. Fischer only had one example of the double denomination error to put in the book. PMG **Choice Very Fine 35 Net, rust**. (8,000-10,000)

Starting Bid: \$4,000

28216 Cuba Banco Central de Cuba 50 Pesos 2002 Pick 123p Proof Uncut Pair.

Though this example is marked as a remainder on the third party holder, this cataloger assumes it is a Proof of the first year of this upgraded security feature design. Only the block number is seen on the note, along with printing method information that is printed in the large bottom margin selvage. Due to the secretive nature of Cuban banknote production, it is very unlikely that remainders would be produced. This example was most likely used as a Presentation Proof for approval as there were also no serial numbers employed. PMG Choice Extremely Fine 45. (1,000-1,500) Starting Bid: \$500

28217 Cuba Interest Bearing Certificate 1000 Pesos 1.6.1869 Pick UNL. A bond dated June 1, 1869 at New York, where a number of prominent Cuban exiles were living at the time. An office of theirs was established at 71 Broadway. The bond includes a vignette of a seated Liberty at top center. This piece is numbered 1610, with the serial number on the left printed in red ink and the serial on the right in black ink. This example grades PMG Choice Uncirculated 63, pinholes and it is the nicest that we have now offered on this denomination. (500-700)

Starting Bid: \$250

Cuba Interest Bearing Certificate 5000 Pesos

28218 Cuba Interest Bearing Certificate 5000 Pesos 1.6.1869 Pick UNL.

This is the first example of this Interest Bearing Certificate denomination to appear in our auctions. It also has serial number 17 and that may be indicative of its relative rarity as compared to other denominations of this issue. These "war bonds" were intended to help finance a Cuban rebel campaign against Spain. The signatures of Jose Morales Lemus and J.F. Basora are bold on this bond. PMG Very Fine 30. (2,500-3,500)

Starting Bid: \$1,250

28224 **Cuba** Banco Espanol de la Habana 1800s 6% Bonds 100 and 300 Pesos.

A pair of 6% bonds from the first series for 1 million pesos total, both with the full counterfoil. Some security features are seen, which imitate watermarks. Two interesting examples from this major bank which are quite interesting and extremely elusive. Examples sold elsewhere in the past have brought over \$1000. Both examples grade **Fine** with minor ink erosion and pinholes. (Total: 2 items) (2,000-3,000) **Starting Bid: \$1,000**

28225 **Cyprus** Government of Cyprus 5 Shillings 1.9.1952 Pick 30. After the death of King George VI, Bradbury, Wilkinson, & Co. was contracted to print 500,000 of the 5 shilling notes dated 1.9.1952 as a way to commemorate the King. Another 500,000 were printed with the same date, but with the Queen's portrait. The portrait was engraved based on a photograph by Dorothy Wilding and prepared for her coronation. The reduced number of notes issued with her portrait makes this date a rarity, with far fewer survivors than the other dates in the Pick 30 listing. Only 5 Shilling notes bearing this date and her portrait were printed, as the 10 Shillings and £5 notes of this series bear dates of 1953 or later. **PCGS Very Fine 35.** (1,250-1,750) **Starting Bid: \$625**

28226 Cyprus Government of Cyprus 250 Mils 1.3.1960 Pick 33a. The short circulation period, coupled with the low print totals, left the 1960 issues the rarest of the Queen Elizabeth II issues. Only this denomination and the £5 notes were printed bearing the 1 March 1960 date. Survivors are few and this piece is a pleasing mid-grade example that shows only even, problem-free wear. PMG Very Fine 25. (1,250-1,750)
Starting Bid: \$625

28227 Cyprus Government of Cyprus 500 Mils 1.3.1957 Pick 34a. All of the dates from this issue are rare in uncirculated condition, with the 1957 the scarcest of the group. Research has shown this date, with the A8-A10 prefix was printed in a quantity of 750,000 notes, though not all of the notes were issued. Most of the final prefix never left the Treasury and was destroyed in the 1960s. An occasional About Uncirculated example has made an auction appearance, though few have featured the Premium Paper Quality designation. An earlier Cypriot issue that remains quite elusive in high grade. Bright, well margined PCGS About New 53PPQ, with minimal evidence of circulation. (1,500-2,000)
Starting Bid: \$750

28228 Cyprus Government of Cyprus £5 15.3.1958 Pick 36a. The highest denomination of the series and the last to be issued under the "Government of Cyprus" name before the country declared independence. The 1958 £5 note is the only one issued with that date and the only one to carry the signature of T.S.C. McIlwain as Commissioner of Currency. It is reasonable to suppose that the previous issues of that denomination were almost exhausted from circulation and Treasury reserves and that there was a need for such a denomination in the market, given the fact that the 1957 note was issued in low print run. Much of the print run was destroyed before being issued. This date, along with the ultra-rare 1960 £5 are the rarest of the five pound QEII banknotes. The underprint remains attractive on this lightly circulated example which is well centered on both face and back. PCGS assigned it an **Extremely Fine 40** grade, which is the highest listed in their population report. (2,000-3,000)
Starting Bid: \$1,000

28229 Cyprus Republic of Cyprus £5 1.12.1961 Pick 40a. The first A1 prefix is seen on this lofty graded example with the old Republic of Cyprus title. PMG Superb Gem Uncirculated 67 EPQ. (800-1,000)

28231 Dahomey Gouvernement General 0.50 Franc (50 Centimes) 11.2.2017 Pick 1b.

28232 Danish West Indies Dansk-Vestindiske National Bank 5 Francs 1905 Pick 17.

28237 **Danzig** Senate of the Municipality - Free City 5 Milliarden Mark 11.10.1923 Pick 30.

As the inflation crisis built up more and more steam in the summer and autumn of 1923, the Senate passed periodically more decrees that permitted higher denominations with the last being in October. Late October saw currency reform with a new issuer and the replacement of the Mark with the Gulden. The planning for the Gulden switchover began in July 1923, when it was announced that a new independent currency was being established with the approval of the League of Nations finance committee. The Gulden's rate of exchange was introduced at a value of 25 Gulden equals £1 Sterling. This charming uniface note grades PMG **Superb Gem Unc 67 EPQ** with embossing. This is the highest graded Pick 30 seen by PMG with no equals. The highest auction price for this number that we know of is \$1840 during 2014 for a PMG 66 EPQ example. Also, we see that PMG has not graded a single Danzig note of any number higher. This makes for an estimate in the range of... (1,600-2,000)

Starting Bid: \$2,000

28287 France Banque de France 300 Francs ND (1938) Pick 87. The 300 Franc note's history is somewhat unique. The denomination was ordered in 1938 after diplomatic tensions between Germany and France caused a run on banks and a demand for currency, which depleted reserves of other denominations. When tensions eased temporarily, the notes were placed in reserve. After the fall of France in 1940, the notes were still held in reserve, but were eventually paid out to the Germans, who were demanding payment for occupation costs circa 1944-45. The notes had no legal status at the time and were finally abandoned by the Germans. The denomination was ultimately released to the general public in June, 1945, but never proved popular. It was gradually withdrawn between 1948 and 1950 and finally demonetized in 1963. With a PMG Choice Uncirculated 64 example selling at auction for \$1410 two years ago, our estimate for this beautiful PMG **Gem Uncirculated 66 EPQ** note may well prove conservative. (1,750-2,250)

Incredible Set of Australian Occupation Notes

28312 German New Guinea Australian Occupation WW1 5; 10; 20; 50 Marks 1914 Pick 1b; 2b; 3b; 4b.

German New Guinea was claimed by Germany in 1884 and administered by the German New Guinea Company until 1899 when the German Imperial Government assumed control. At the outbreak of World War 1, Australia quickly occupied the territory and issued Treasury Notes in October, 1914. Most, like all of these notes, were cancelled on or about January 1, 1915. Australia maintained military control until 1921 when the territory became an Australian mandate of the League of Nations. All of these notes are excessively rare, and represent the entire series except for the 100 Marks note. All are unpriced and simply listed as *Rare* in the SCWPM.

The notes grade as follows: 5 Marks PMG **Choice Extremely Fine 45** with pinholes; 10 Marks PMG **About Uncirculated 53** with pinholes and a small margin tear; 20 Marks PMG **Choice Very Fine 35** with pinholes and small margin tear; 50 Marks PMG **Choice Very Fine 35** with pinholes, a few small stains, and a small tear. Elegantly Engraved Hawaiian Island \$100 Silver Certificate Remainder

28359 Hawaii Kingdom of Hawaii \$100 ND (1879) Pick 4b Remainder.

Our consignor acquired this wonderful piece from a Newman auction featuring a set of proofs, \$10 through the \$100. It was described, "The final illustrious member of this fine-tuned Hawaiian Islands remainder set. Exceedingly rare in any form with two sets of proofs known to us (one with a stained face) and some backs left over from the 1990 ABN Archive lots. We do not know of an issued note or full two-sided Specimen. The serial number 8800 reportedly exists, ex: Ostheimer and also on the perforated "PAID" note in the 9/09 Collection sale (lot 1583). The serial number on this example is 8799, confirming the 8800 number authorized and known from the order sheet from the ABN archive book. The face design is memorable and combines stellar elements from the ABN repertoire. At the center is a globe showing the Americas. At the left is a steamer heading west and a train heading east, with palm trees behind; these form a cartouche around the center. At the lower left is a frightened, galloping horse and at the right, a placid cow. The ends have the Hawaiian textual denomination. The blue tint on the face is across the signature blocks and the top counters are deeper blue. The back is also deeper blue, and uses the common series design of Royal Hawaiian Arms at the center, with ornate lathe work and denomination counters flanking. Hole Punch Cancelled as prepared at the ABN for archiving as a Specimen note. This is one of the most eye-catching notes in the sale. Blue tints are not often seen on earlier American Obsolete or Federal type notes. This 'world' note crossover is about as American a banknote design as one could desire." All of the denominations crushed our estimate ranges, which is very likely again here today. PCGS **Choice About New 58**.

Issued (Cancelled) Kingdom of Hawaii \$100

28360 **Hawaii** Kingdom of Hawaii \$100 ND (1879) Pick 4b.

The highest denomination of the first series. An elusive example, even more so than proofs or specimens, especially as not many of these high denominations were released. Owing to the large amount of US business interests in Hawaii at the time, corporations preferred to have large sums of money in US Dollars. Additionally, notes did not stand up well to the unforgiving climate, leaving examples such as this one with the bright blue inks intact and very rare today. A PAID cancellation is seen. PCGS **Good 6**, restorations. (15,000-25,000)

Starting Bid: \$7,500

Kingdom of Hawaii \$100 Pick 4FP Face Proof PMG 64

28361 **Hawaii** Kingdom of Hawaii \$100 ND (1879) Pick 4FP Face Proof.

The only example of this rare ABNCo Face Proof that has participated in our auctions. It does not have any POCs and therefore displays a complete design. It faces up nicely with four wide margins. This Proof was originally part of an old ABNCo display that was exhibited at shows. PMG **Choice Uncirculated 64**, residue from mounting on the back. (3,000-5,000)

Starting Bid: \$1,500

Large Size Ashoka Rs 1000 Specimen

28378 **India** Reserve Bank of India 1000 Rupees ND (1954-57) Pick 46s Jhun6.9.1 Specimen.

A grandly sized Specimen with all zero serial numbers and a single SPECIMEN stamp over the watermark area. The multicolor underprints remain excellent on this Bombay issue, which was most likely given to various banks to serve as an example to check against counterfeits. Not unlike the most recent Rs 500 and Rs 1000 notes, these designs (along with higher denominations) were demonetized in 1978. As these notes represented a far higher purchasing power back then, most were redeemed, leaving very few examples of any type extant. PMG **Very Fine 20 Net**, previously mounted, edge damage. (10,000-15,000)

Starting Bid: \$5,000

28379 **India** Reserve Bank of India 1000 Rupees ND (1975) Pick 65b. Your cataloger is always amazed that a note of this size from a country with a less than ideal climate for paper money has survived in this condition. If you want one note from India for your collection, this would surely be a contender with its pristine paper surfaces, lovely color, and imposing size. PCGS **Gem New 66PPQ** yes, with the ubiquitous staple holes at left as issued although well hidden and not rusty. (1,500-2,000)
Starting Bid: \$1,000

28380 **India** Reserve Bank of India 2 Rupees ND (1973) Pick 79s Jhunjhunwalla 6.2.10.-11.3 Specimen. This specimen has a pair of pinholes at the upper left corner, and a minor ink mark on the the top margin. These have no significant effect on the notes overall presentation however, and PMG has graded it **About Uncirculated 55**. (1,500-2,500)
Starting Bid: \$750

28381 **India** Reserve Bank of India 5 Rupees ND (1975) Pick 80s1 Jhunjhunwalla 6.3.9.-10.4 Specimen. Two staple holes are present near the upper left corner, around which a small amount of rust is present. Otherwise, all colors and inks remain quite bright and pair well against the clean, white paper. PMG **About Uncirculated 55**. (2,000-2,500)
Starting Bid: \$1,000

28382 **India** Reserve Bank of India 500 Rupees ND (1987) Pick 87s Jhunjhunwalla 6.8.1 Specimen. This 500 Rupees is the first specimen example that have ever offered for this particular Pick number. Starting Bid: \$1,500

India Giesecke and Devrient Hologram Test 500 Rupees Note

28383 India Reserve Bank of India 500 Rupees ND (1998) Pick UNL Giesecke and Devrient Hologram Strip Test Note.

A uniface note prepared by German printer Giesecke and Devrient much like the 1000 Rupee LEAD test note we featured in December 2016. At that time, India was looking to upgrade its higher denomination note. Before ultimately deciding on just Optically Variable Ink, it is very possible they solicited the security features from G&D. Two holographic strips and two sets of serial numbers are seen on this example printed with an official plate. PMG **Gem Uncirculated 65 EPQ**. (6,000-8,000)

Starting Bid: \$5,000

28384 India Reserve Bank of India 500 Rupees ND (1998) Pick UNL Giesecke and Devrient Hologram Strip Test Note.

Due to the completeness of the printing of this note, from the underprint to different colors used for the intaglio features to the strong embossing easily seen from the back, it is likely the paper was prepared by G&D and then given to the Indian Banknote Presses. This example has signs of previous mounting. PMG **Choice Uncirculated 63**. (4,000-6,000)

Starting Bid: \$3,000

28385 India Government of India - Persian Gulf Issue 1 Rupee 1957 Pick R1. Two Consecutive Examples.

Both of these examples have vibrantly inked surfaces and crisp paper, as well as staple holes which were present at issue. Faint center folds and light handling account for the grades of PCGS **Choice About New 55** and **About New 53**. (Total: 2 notes) (700-900)

Starting Bid: \$350

Persian Gulf Issue 5 Rupees

28386 India Reserve Bank of India Persian Gulf Issue 5 Rupees ND Pick R2 Jhunjunwalla 6.12.2.1.

The Z prefix on this note identifies it as a "Persian Gulf Note" which the Reserve Bank of India circulated in the Persian Gulf during the 1950s and 1960s. An exhilarating, well preserved example which retains its full orange color, which is usually the first to fade even without circulation. PMG **Choice Uncirculated 64 EPQ**.

Starting Bid: \$2,500

28387 **India** Princely States Hyderabad 100 Rupees (1920-28) Pick S266e Jhunjunwalla 7.10.3.

Starting Bid: \$1,500

28389 **India** Princely States Hyderabad 1000 Rupees ND (1930) Pick S267b Jhunjunwalla 7.12.1.

A grandly sized note that exhibits a small tear at top center. Colors and eye appeal are pleasing on this example of India's largest princely state, which was allowed to issue its own currency until the independence and re-unification of India. The typical spindle holes at issue are noticed. PMG **About Uncirculated 53.** (1,500-2,000)

Starting Bid: \$750

28388 **India** Princely States Hyderabad 1000 Rupees FE 1341 (1930) Pick S267 Jhunjunwalla 7.12.1.

A rare note with excellent color and natural paper wave printed by Waterlow & Sons. Hyderabad was the largest and most populous of all of the princely states of India. When the British left the Indian subcontinent in 1947, they offered the Princely States the option of either joining Pakistan or India or staying independent. The leader of Hyderabad wanted to keep his country independent. However, India felt differently as they could not possibly have a hostile state within their borders. India decided to assimilate Hyderabad into the Indian Union, even if it was by force. Most of the other 565 princely states had already joined India or Pakistan voluntarily by this time. On September 13, 1948 "Operation Polo" (Hyderabad had 17 polo fields at the time) began as the Indian Army invaded their surrounded neighbor. Hostilities were over on September 17th when Hyderabad capitulated. PCGS **Very Choice New 64.** (4,000-6,000)

Starting Bid: \$3,500

28390 **Indonesia** Bank Indonesia 2500 Rupiah ND (1957) Pick 54.

Overprint embossing is particularly pronounced in the serial numbers on the back of this lovely 2500 Rupiah. Bright colors and boldly printed surfaces round out a presentation that only just falls short of the Superb Gem category. PMG **Gem Uncirculated 66 EPQ.** (800-1,000)

Iran 25 Tomans Pick 6ctsf PMG 64

28391 Iran Imperial Bank of Persia 25 Tomans ND (1890-1923) Pick 6ctsf Color Trial Specimen Face.

A Color Trial Specimen lacking green and red ink, except when the inks have been switched on the note. In 1890, the Imperial Bank of Persia contracted with Bradbury, Wilkinson & Co. to provide a series of notes for circulation which would ultimately be used from 1890 to 1923. Issued notes for Pick 6 are listed as "rare" without any values. This PMG **Choice Uncirculated 64** example is about 1 millimeter away from perfect centering. There is a pencilled "37" in the upper right margin of this delightful example. (7,500-10,000)

Starting Bid: \$3,700

Starting Bid: \$1,600

28394 Iran Bank Melli 10 Rials AH1313 (1934) Pick 25s Specimen. Reza Shah is featured on this later design prepared by the American Bank Note Company. All zero serial numbers and 2 POCs are seen on this colorful example. PMG Choice Uncirculated 64. (800-1,000)

Printed by TDLR, this broadly margined and well embossed blue and multicolor note is the last to portray the reigning monarch, Queen Elizabeth II. Rarely seen in top grades, we last sold an example in this condition at our Long Beach World Currency Signature Auction earlier this year where it crossed the auction block for \$4200. This PMG Choice Uncirculated 64 EPQ note is only two serial numbers removed from that example and should again test that price level. (4,000-5,000)

28422 Jamaica Barclays Bank (Dominion, Colonial and Overseas) £1 1.3.1939 Pick S146sp Specimen Proof.

Barclays operated in several British overseas possessions including Jamaica. These private bank issued notes circulated with higher denominations, as the government issued small change notes. After Government issued notes were introduced, almost all of these commercial bank notes were redeemed, leaving any issued examples very elusive. All details are excellent and enjoyable on this well centered and wide margined example grading PMG **Choice Uncirculated 64** with printer's annotations and previously mounted. (2,000-3,000)

Starting Bid: \$1,000

28423 Japan Bank of Japan 5 Yen ND (1910) Pick 34.

An elusive early design still denominated in "Gold Yen." The trademark lifelike watermark seen on other Japanese notes is very clear on this example. We last featured in this Pick number in 2015, when a Choice Uncirculated 64 example realized \$3,407.50. This example with stainless paper and brighter eye appeal is expected to command more interest. PMG **Choice Uncirculated 64**. (3,500-4,500)

Starting Bid: \$1,750

28424 Japan Bank of Japan 1000 Yen ND (1963) Pick 96s Specimen.

An exceptionally tough note to find in specimen form, with PMG having graded only three other examples. Fully original paper surfaces and pleasing color earn this 1000 Yen specimen a grade of PMG **About Uncirculated 55 EPQ**. (1,500-2,000)

Starting Bid: \$750

28425 Jordan Currency Board 5 Dinars 1949 Pick 7s Specimen.

The last example we handled of this Pick number was a PMG 64 example that realized \$646.25. This pristine example with bright inks is expected to realize more. PMG Gem Uncirculated 65 EPQ. Lovely New Zealand 10 Shillings

28485 New Zealand Reserve Bank of New Zealand 10 Shillings 1.8.1934 Pick 154.

A light center fold is the only sign of circulation on this otherwise magnificent 10 Shillings. PMG has graded only one example finer than this Pick 154, which displays wholly original, wonderfully embossed paper surfaces. PMG **Choice About Uncirculated 58 EPQ**. (7,000-9,000)

Starting Bid: \$7,000

28486 New Zealand Reserve Bank of New Zealand £1 1.8.1934 Pick 155.

Rarely Seen New Zealand 1934 50 Pounds

28488 New Zealand Reserve Bank of New Zealand £50 1.8.1934 Pick 157.

This is arguably the most difficult note to find in all of New Zealand currency, and this marks the first time that we have had the pleasure of offering an example of this type. The design from the 1934 issue depicts the Kiwi bird at left, with the Maori chief at right. The example has been repaired, and the evidence of this is visible with a good light. As it appears through the holder, however, the note only seems to display good, honest circulation. The red inks remain bright, and the note presents in a rather pleasing manner, given its assigned grade of PMG **Choice Fine 15 Net**. (10,000-15,000)

Starting Bid: \$5,000

28489 **New Zealand** Reserve Bank of New Zealand £50 ND (1940-67) Pick 162s Specimen.

28493 New Zealand Bank of New Zealand £1 1.10.1929 Pick S234a.

A Pick number that seldom appears at auction with the last opportunities that we can find being in the year 2013. The folds are light on this pretty PMG **Choice Very Fine 35** example. (4,000-6,000)

Starting Bid: \$3,000

Elusive 1881 One Peso Issue – Finest Known

28494 Nicaragua Billete del Tesoro Nacional 1 Peso 24.9.1881 Pick 1.

At PMG **Very Fine 25**, this problem free, mid grade example is actually the finest of three signed and issued examples graded by PMG. We offered one of these examples, graded PMG **Fine 15**, in our April 2017 Signature Auction, wherein that note realized \$4230. Today's example is a full 10 points higher than that previous note and should easily outperform that prior figure. (5,000-7,000)

Starting Bid: \$4,000

28495 Nicaragua Billete del Tesoro Nacional 20 Centavos D. 20.3.1885 Pick 9a.

This early fractional issue printed by Homer Lee Bank Note Co. grades **About Uncirculated 50** by PMG. They state that the example was previously mounted, although the evidence of that occurrence is difficult to detect through the holder. A raw **Fine 15** with pinholes and stains realized \$1,997.50 in 2016. (2,500-3,500)

Starting Bid: \$1,250

28496 Nicaragua Billete del Tesoro Nacional 50 Centavos 15.9.1900 Pick 28.

This example grades PMG **About Uncirculated 50**, previously mounted and is by far the highest PMG graded Pick 28. We did see a raw XF 40 piece trade hands at auction for \$920 in 2014. (1,200-1,700)

Starting Bid: \$800

28497 Nicaragua Billete del Tesoro Nacional 1 Peso 15.9.1900 Pick 29a. This evenly circulated, mid grade 1 Peso still possesses solid paper and bright underprint color. The note grades PMG **Very Fine 30**, with mentions of a minor foreign substance on the back of the holder. (1,200-1,500)

Starting Bid: \$700

28498 Nicaragua Banco Nacional 500 Cordobas 1953 Pick 105s Specimen.

28500 Norway Norges Bank 500 Kroner 1976 Pick 34f.

An appealing portrait of Niels Henrik Abel (1802-29) is seen at left on this lovely note printed in green ink on a brown underprint. His image was used for the watermark as well. Abel was a Norwegian mathematician. Although his career was short, a mere six or seven years, he accomplished a tremendous amount. Hermite, one of the leading mathematicians of the day, stated, "Abel has left mathematicians enough to keep them busy for five hundred years." When Abel was asked how he had performed so much in such a short time he replied, "By studying the masters, not the pupils." The signature combination of Wold and Odegaard is found on this well preserved example that bears the last issue date for this design.

PCGS **Gem New 65PPQ**. (3,000-4,000)

Starting Bid: \$3,000

Incredibly Rare Haj Pilgrim 10 Rupees Note

28506 **Pakistan** State Bank of Pakistan Haj Pilgrim Issue 10 Rupees ND (1950) Pick R2.

This is the earliest of the Pakistan Haj Pilgrim issues and is rarely seen, less so in fully Uncirculated grades. The last two third party certified examples were a PCGS 55 and PCGS 62 that realized \$25,000 and \$15,000 respectively. There is no doubt this beautiful and well margined piece will reach that level as well. PMG Choice Uncirculated 64 (15,000-20,000)

Starting Bid: \$7,500

28507 Palestine Palestine Currency Board £5 30.9.1929 Pick 8b.

Starting Bid: \$1,000

28508 Philippines Banco Espanol Filipino 5 Pesos 1.6.1896 Pick A7a.
While by no means common, the Pick A7 is one of the few notes from the Spanish Administration of these islands that is remotely encountered in public settings. At this same venue last year, we sold a similar example graded PMG VF 25 Net, with splits and toned paper for \$3,290. The present example also displays splits, which have been repaired via archival tape. The note is still rather well intact, and given the infrequency with which Spanish Administration Filipino examples surface, the seasoned collector would be well advised to not let this PCGS **Fine 15** example slip by. (1,500-2,500)
Starting Bid: \$750

28509 Philippines Philippine Islands Silver Certificate 10 Pesos 1903 Pick 27A.
This circulated example still retains a colorful red overprint and easily distinguished design elements. The third party holder mentions the presence of edge splits and minor stains on the back of the note, and though these are present, they by no means seriously inhibit the note's overall presentation. PCGS grades this highly scarce note at **Fine 12**. (1,000-1,500)
Starting Bid: \$500

Philippines 100,000 Piso 1998 Pick 190a

Dimensions of this huge note are approximately 14 by 8.5 inches (356mm by 216mm). This is the largest note in terms of size issued in modern times. It comes with its original packaging and resides inside a hard plastic holder within a felt-lined box with a locking clasp. There is also a Certificate of Issuance signed by the Bangko Sentral ng Pilipinas Governor Gabriel C. Singson. This extraordinary note is not graded, but remains in its issued plastic case. (10,000-15,000)
Starting Bid: \$5,000

PORTUGAL

28511 Portugal Banco de Portugal 50 Escudos 6.2.1922 Pick 128.
A restoration is seen down the center fold of the 50 Escudos, which is tied with only one other for finest graded by PMG. A few smaller restorations are seen along the edges, but are generally well concealed. We sold a similar example graded PMG 45 Net, also with repairs, for \$4700 in our April 2017 Central States Auction. Today's example, which is perhaps a touch better, grades PMG About Uncirculated 50 Net. (4,000-6,000)
Starting Bid: \$2,000

28512 Portugal Banco de Portugal 50 Escudos 13.1.1925 Pick 136.

28514 Portuguese India Banco Nacional Ultramarino 1 Rupia 1.1.1924 Pick 23A.
One of the most classic designs in world paper, with a tiger at center, and attractive lathework framing the central design. The blue inks remain bold on this PMG Choice Fine 15 example. We auctioned the Ruth Hill Pick 23A for \$940 at our 2014 CSNS auction. (700-900)

28515 Portuguese India Banco Nacional Ultramarino 20 Rupias 11.1.1938 Pick 33 Jhunjhunwalla 12.26.1-6.

A favorable example for the grade of PMG **About Uncirculated 53**. We auctioned a PCGS 53PPQ for \$9,400 in April 2014. PMG lists the entire range of signature numbers on their label for this note, while the exact Jhunjhunwalla number is 12.26.6. (4,500-6,500)

Starting Bid: \$400

28518 Qatar Qatar Monetary Agency 100 Riyals ND (1973) Pick 5a. The Ministry of Finance building appears on the back of this multicolor note. This is the finest example we have offered, and has heavy embossing and excellent eye appeal throughout. PMG **Gem Uncirculated 65 EPQ**.

QATAR & DUBAI

28522 Qatar and Dubai Qatar and Dubai Currency Board 5 Riyals ND (1960) Pick 2a.

The EPQ designation must be noted on this well centered example from the only series issued under the Qatar and Dubai name. We last featured an example of this Pick number in January 2017, when a Choice Uncirculated 64 example realized \$3,525. This example with an EPQ designation and better centering is expected to bring more interest. **PMG Gem Uncirculated 66 EPQ.**

Starting Bid: \$900

Rare XF Pick 37 500 Pesetas

28597 Spain Banco de Espana 500 Pesetas 1.10.1886 Pick 37.

Spain 1895 1000 Pesetas Choice Very Fine 35

28602 Spain Banco de España 1000 Pesetas 1.5.1895 Pick 45.

From a pure eye appeal standpoint, this 1000 Pesetas can more than stand up to any other that we have ever handled. Many of the known Pick 45 examples have had certain ailments such as repairs and other problems that evoke an adverse comment from grading service. This is not the case with this example, which displays only a few light folds and other secondary signs of handling. It grades a problem free PMG Choice Very Fine 35. (5,000-7,000)

Starting Bid: \$500

28606 Spain Banco de Espana 100 Pesetas 1.5.1900 Pick 51a.

The Auction is conducted under these Terms and Conditions of Auction and applicable state and local law. Announcements and corrections from the podium and those made through the Terms and Conditions of Auctions appearing on the Internet at H.A.com supersede those in the printed catalog.

Buyer's Premium:

2. All bids are subject to a Buyer's Premium which is in addition to the placed successful bid:

- Fifteen percent (15%) on Domain Names & Intellectual Property Auction lots;
- Nineteen and one-half percent (19.5%) on Comic and Movie Poster Auction lots;
- Twenty percent (20%) on Currency, Sports Collectibles, US Coin, and World & Ancient Coin Auction lots;

- Minimum Buyer's Premium per lot is \$19, except for Sports Collectibles lots wherein the Buyer's Premium is \$14 per lot.

Auction Venues:

3. The following Auctions are conducted solely on the Internet: Heritage Weekly Internet Auctions (Coin, Currency, Comics, Rare Books, Jewelry & Watches, Guitars & Musical Instruments, and Vintage Movie Posters); Heritage Monthly Internet Auctions (Sports, World Coins and Rare Wine). Signature® Auctions and Grand Format Auctions accept bids from the Internet, telephone, fax, or mail first, followed by a floor bidding session; HeritageLive! and real-time telephone bidding are available to registered clients during these auctions.

Bidders:

4. Any person participating or registering for the Auction agrees to be bound by and accepts these Terms and Conditions of Auction ("Bidder(s)").
5. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a client in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the Auction. Auctioneer reserves the right to exclude any person from the auction.
6. If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

Credit:

7. In order to place bids, Bidders who have not established credit with the Auctioneer must either furnish satisfactory credit information (including two collectibles-related business references) or supply valid credit card information along with a social security number, well in advance of the Auction. Bids placed through our Interactive Internet program will only be accepted from pre-registered Bidders. Bidders who are not members of H.A.com or affiliates should preregister at least 48 hours before the start of the first session (exclusive of holidays or weekends) to allow adequate time to contact references. Credit will be granted at the discretion of Auctioneer. Additionally Bidders who have not previously established credit or who wish to bid in excess of their established credit history may be required to provide their social security number or the last four digits thereof so a credit check may be performed prior to Auctioneer's acceptance of a bid. Check writing privileges and immediate delivery of merchandise may also be determined by pre-approval of credit based on a combination of criteria: H.A.com history, related industry references, bank verification, a credit bureau report and/or a personal guarantee for a corporate or partnership entity in advance of the auction venue.

Bidding Options:

8. Bids in Signature, Auctions or Grand Format Auctions may be placed as set forth in the printed catalog section entitled "Choose your bidding method." For auctions held solely on the Internet, see the alternatives on H.A.com. Review at <http://www.ha.com/c/ref/web-tips.zx#biddingTutorial>.
9. Presentment of Bids: Non-Internet bids (including but not limited to podium, fax, phone and mail bids) are treated similar to floor bids in that they must be on-increment or at a half increment (called a cut bid). Any podium, fax, phone, or mail bids that do not conform to a full or half increment will be rounded up or down to the nearest full or half increment and this revised amount will be considered your high bid.
10. Auctioneer's Execution of Certain Bids. Auctioneer cannot be responsible for your errors in bidding, so carefully check that every bid is entered correctly. When identical mail or FAX bids are submitted, preference is given to the first received. To ensure the greatest accuracy, your written bids should be entered on the standard printed bid sheet and be received at Auctioneer's place of business at least two business days before the Auction start. Auctioneer is not responsible for executing mail bids or FAX bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is Auctioneer responsible for proper execution of bids submitted by telephone, mail, FAX, e-mail, Internet, or in person once the Auction begins. Bids placed electronically via the internet may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX: 214-409-1425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the Auction unless prearranged.
11. Caveat as to Bid Increments. Bid increments (over the current bid level) determine the lowest amount you may bid on a particular lot. Bids greater than one increment over the current bid can be any whole dollar amount. It is possible under several circumstances for winning bids to be between increments, sometimes only \$1 above the previous increment. Please see: "How can I lose by less than an increment?" on our website. Bids will be accepted in whole dollar amounts only. No "buy" or "unlimited" bids will be accepted.

The following chart governs current bidding increments

(see HA.com/c/ref/web-tips.zx#guidelines-increments).

Current Bid	Bid Increment	Current Bid	Bid Increment
< \$10.....	\$1	\$10,000 - \$19,999.....	\$1,000

\$5,000 - \$9,999.....	\$500	>= \$10,000,000.....	\$200,000

12. If Auctioneer calls for a full increment, a bidder may request Auctioneer to accept a bid at half of the increment ("Cut Bid") only once per lot. After offering a Cut Bid, bidders may continue to participate only at full increments. Off-increment bids may be accepted by the Auctioneer at Signature® Auctions and Grand Format Auctions. If the Auctioneer solicits bids other than the expected increment, these bids will not be considered Cut Bids.

Conducting the Auction:

13. Notice of the consignor's liberty to place bids on his lots in the Auction is hereby made in accordance with Article 2 of the Texas Business and Commercial Code. A "Minimum Bid" is an amount below which the lot will not sell. THE CONSIGNOR OF PROPERTY MAY PLACE WRITTEN "Minimum Bids" ON HIS LOTS IN ADVANCE OF THE AUCTION; ON SUCH LOTS, IF THE HAMMER PRICE DOES NOT MEET THE "Minimum Bid", THE CONSIGNOR MAY PAY A REDUCED COMMISSION ON THOSE LOTS. "Minimum Bids" are generally posted online several days prior to the Auction closing. For any successful bid placed by a consignor on his Property on the Auction floor, or by any means during the live session, or after the "Minimum Bid" for an Auction have been posted, we will require the consignor to pay full Buyer's

Premium and Seller's Commissions on such lot.

14. The highest qualified Bidder recognized by the Auctioneer shall be the Buyer. In the event of a tie bid, the earliest bid received or recognized wins. In the event of any dispute between any Bidders at an Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders. Bids properly offered, whether by floor Bidder or other means of bidding, may on occasion be missed or go unrecognized; in such cases, the Auctioneer may declare the recognized bid accepted as the winning bid, regardless of whether a competing bid may have been higher. Auctioneer reserves the right after the hammer fall to accept bids and reopen bidding for bids placed through the Internet or otherwise. Regardless that bids are made on a Property, Auctioneer reserves the right to withdraw the Properties, or any part of the Properties, from the Auction at any time prior to the opening of any lot containing such Properties for sale by the auctioneer (crier), or in the case of Internet-only auctions when the bid opens for either live bidding online or the beginning of the extended period, if any.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid, in its sole discretion. A bid is considered not made in "Good Faith" when made by an insolvent or irresponsible person, a person under the age of eighteen, or is not supported by satisfactory credit, collectibles references, or otherwise. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in "Good Faith." Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances. If a lot bearing estimates fails to open for 40–60% of the low estimate, the Auctioneer may pass the item or may place a protective bid on behalf of the consignor.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (generally 40%-60% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken. Auctioneer reserves the right to withdraw, prior to the close, any lots from the Auction.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or for any other reason and in Auctioneer's sole discretion. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) and any other damages or expenses pertaining to the lot.
20. Auctioneer occasionally experiences Internet and/or Server service outages, and Auctioneer periodically schedules system downtime for maintenance and other purposes, during which Bidders cannot participate or place bids. If such outages occur, we may at our discretion extend bidding for the Auction. Bidders unable to place their Bids through the Internet are directed to contact Client Services at 877-HERITAGE (437-4824).
21. The Auctioneer, its affiliates, or their employees consign items to be sold in the Auction, and may bid on those lots or any other lots. Auctioneer or affiliates expressly reserve the right to modify any such bids at any time prior to the hammer based upon data made known to the Auctioneer or its affiliates. The Auctioneer may extend advances, guarantees, or loans to certain consignors.
22. The Auctioneer has the right to sell certain unsold items after the close of the Auction. Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

Payment:

23. All sales are strictly for cash in United States dollars (including U.S. currency, bank wire, cashier checks, travelers checks, eChecks, and bank money orders, and are subject to all reporting requirements). All deliveries are subject to good funds; funds being received in Auctioneer's account before delivery of the Purchases; and all payments are subject to a clearing period. Auctioneer reserves the right to determine if a check constitutes "good funds": checks drawn on a U.S. bank are subject to a ten business day hold, and thirty days when drawn on an international bank. Clients with pre-arranged credit status may receive immediate credit for payments via eCheck, personal, or corporate checks. All others will be subject to a hold of 5 days, or more, for the funds to clear prior to releasing merchandise. (Ref. T&C item 7 Credit for additional information.) Payments can be made 24-48 hours post auction from the My Orders page of the H.A.com website.
24. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after the close of the Auction. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) on the lot and any other damages pertaining to the lot or Auctioneer. Alternatively, Auctioneer at its sole option, may charge a twenty (20%) fee based on the amount of the purchase. In either case the Auctioneer may offset amount of its claim against any monies owing to the Bidder or secure its claim against any of the Bidder's properties held by the Auctioneer..
25. Lots delivered to you, or your representative are subject to all applicable state and local taxes, unless appropriate permits are on file with Auctioneer. Bidder agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, or inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Auctioneer five days prior to Auction, or tax must be paid; only if such form or certificate is received by Auctioneer within 4 days after the Auction can a refund of tax paid be made. Lots from different Auctions may not be aggregated for sales tax purposes.
26. In the event that a Bidder's payment is dishonored upon presentment(s), Bidder shall pay the maximum statutory processing fee set by applicable state law. If you attempt to pay via eCheck and your financial institution denies this transfer from your bank account, or the payment cannot be completed using the selected funding source, you agree to complete payment using your credit card on file.
27. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. Any invoice not paid when due will bear a three percent (3%) late fee on the invoice amount. If the Auctioneer refers any invoice to an attorney for collection, the buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.
28. In the event a successful Bidder fails to pay any amounts due, Auctioneer reserves the right to sell the lot(s) securing the invoice to any underbidders in the Auction that the lot(s) appeared, or at subsequent private or public sale, or relist the lot(s) in a future auction conducted by Auctioneer. A defaulting Bidder agrees to pay for the reasonable costs of resale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). The defaulting Bidder is liable to pay any difference between his total original invoice for the lot(s), plus any applicable interest, and the net proceeds for the lot(s) if sold at private sale or the subsequent hammer price of the lot(s) less the 15% seller's commissions, if sold at an Auctioneer's auction.
29. Auctioneer reserves the right to require payment in full in good funds before delivery of the merchandise.
30. Auctioneer shall have a lien against the merchandise purchased by the buyer to secure payment of the Auction invoice. Auctioneer is further granted a lien and the right to retain possession of any other property of the buyer then held by the Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due the Auctioneer or affiliates from the buyer. With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). In addition, with respect to payment of the Auction invoice(s), the buyer waives any and all rights of offset he might otherwise have against the Auctioneer and the consignor of the merchandise included on the invoice. If a Bidder owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Bidder, and it may secure by possessory lien any unpaid amount by any of the Bidder's property in their possession.

Terms and Conditions of Auction

31. Title shall not pass to the successful Bidder until all invoices are paid in full. It is the responsibility of the buyer to provide adequate insurance coverage for the items once they have been delivered to a common carrier or third-party shipper.

Delivery; Shipping; and Handling Charges:

32. Buyer is liable for shipping, handling, registration, and renewal fees, if any. Please refer to Auctioneer's website HA.com/c/shipping.zx for the latest charges or call Auctioneer. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Lots won will be shipped in a commercially reasonable time after payment in good funds for the merchandise and the shipping fees is received or credit extended, except when third-party shipment occurs. Buyer agrees that Service and Handling charges related to shipping items which are not pre-paid may be charged to the credit card on file with Auctioneer.

33. Successful international Bidders shall provide written shipping instructions, including specified customs declarations, to the Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item(s) hammer price together with its buyer's premium and Auctioneer shall use the correct harmonized code for the lot. Domestic Buyers on lots designated for third-party shipment must designate the common carrier, accept risk of loss, and prepay shipping costs.

34. All shipping charges will be borne by the successful Bidder. On all shipments in which Heritage charges the Delivery, Handling, and Transit Fee *infra*, any risk of loss during shipment will be borne by Heritage until the shipping carrier's confirmation of delivery to the address of record in Auctioneer's file, this is the "Secure Location". A common carrier's confirmation is conclusive to prove delivery to Bidder; if the client has a Signature release on file with the carrier, the package is considered delivered without Signature. Auctioneer shall arrange, select, and engage common carriers and other transportation vendors on your behalf. Transit services are subject to the following terms and conditions:

a. **Scope of Transit Services:** Your properties for transit will be insured under one or more insurance policies issued by an authorized broker to Auctioneer. The properties will be insured for the invoice price of the properties (hammer price plus Buyer's Premium) ("Insured Value"). For each shipment, you will provide a Secure Location to which the items will be delivered. NOTICE: **Auctioneer is neither an insurance company nor a common carrier of any type.**

b. **Auctioneer's Compensation for Transit Services:** Auctioneer will provide transit services to Buyer for ¼ of 1% of the Insured Value, plus packaging and handling fees and fees for the common carrier (collectively, "Delivery, Handling, and Transit Fee"). You agree to pay Delivery, Handling, and Transit Fee and comply with all terms of payment as set forth in paragraphs 23 to 31 of this Agreement.

c. **Auctioneer's Limitation of Liability for Transit Services:** You understand and agree that Auctioneer's liability for loss of or damage to the items, if any, ends when the items have been delivered to the Secure Location, and Auctioneer has received evidence of delivery. If you claim that any property has sustained loss or damage during transit, you must report any such loss or damage to Auctioneer within seventy-two (72) hours of the delivery date. Your recovery for loss of or damage to any property is limited to the lesser of actual cash value of the property or the Insured Value. **Under no circumstances is Auctioneer liable for consequential or punitive damages.**

35. Due to the nature of some items sold, it shall be the responsibility for the successful Bidder to arrange pick-up and shipping through third-parties; as to such items Auctioneer shall have no liability. Failure to pick-up or arrange shipping in a timely fashion (within ten days) shall subject Lots to storage and moving charges, including a \$100 administration fee plus \$10 daily storage for larger items and \$5.00 daily for smaller items (storage fee per item) after 35 days. In the event the Lot is not removed within ninety days, the Lot may be offered for sale to recover any past due storage or moving fees, including a 10% Seller's Commission.

36A. The laws of various countries regulate the import or export of certain plant and animal properties, including (but not limited to) items made of (or including) Brazilian rosewood, ivory, whalebone, turtle shell, coral, crocodile, or other wildlife. Transport of such lots may require special licenses for export, import, or both. Bidder is responsible for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay, failure, or incapacity to obtain any such license or permit does not relieve the buyer of timely payment, or afford them the capacity to void their purchase or payment. For further information, please contact Ron Brackemyre at 800-872-6467 ext. 1312.

36B. California State law prohibits the importation of any product containing Python skin into the State of California, thus no lot containing Python skin will be shipped to or invoiced to a person or company in California.

36C. Auctioneer shall not be liable for any loss caused by or resulting from:

- Seizure or destruction under quarantine or Customs regulation, or confiscation by order of any Government or public authority, or risks of contraband or illegal transportation of trade, or
- Breakage of statuary, marble, glassware, bric-a-brac, porcelains, jewelry, and similar fragile articles

37. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

Cataloging, Warranties and Disclaimers:

38. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of the items or second opine contained in this Auction is for the sole purpose of identifying the items for those Bidders who do not have the opportunity to view the lots prior to bidding, and no description of items has been made part of the basis of the bargain or has created any express warranty that the goods would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot. NOTE: Auctioneer, in specified auction venues, for example, Fine Art, may have express written warranties and you are referred to those specific terms and conditions. .

39. Auctioneer is selling only such right or title to the items being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the Property. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes. All images, descriptions, sales data, and archival records are the exclusive property of Auctioneer, and may be used by Auctioneer for advertising, promotion, archival records, and any other uses deemed appropriate.

40. Translations of foreign language documents may be provided as a convenience to interested parties. Auctioneer makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.

41. Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any Property by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to the Bidder and may not be assigned. Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.

42. Auctioneer shall not be liable for breakage of glass or damage to frames (patent or latent); such defects, in any event, shall not be a basis for any claim for return or reduction in purchase price.

Release:

43. In consideration of participation in the Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opines, from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein; e.g., authenticity, typographical error, etc. and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.

44. Notice: Some Property sold by Auctioneer are inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Purchaser accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or inconsequential, and expressly

disclaims any warranty as to safety or usage of any lot sold.

Dispute Resolution and Arbitration Provision:

45. By placing a bid or otherwise participating in the auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the dispute resolution provided herein. Consumer disputes shall be resolved through court litigation which has an exclusive Dallas, Texas venue clause and jury waiver. Non-consumer dispute shall be determined in binding arbitration which arbitration replaces the right to go to court, including the right to a jury trial.

46. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or any other damages arising or claimed to be arising from the auction of any lot. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, in such cases the sole remedy shall be limited to rescission of sale and refund of the amount paid by Bidder; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. After one year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot.

47. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, to refund the buyer's purchase price without further obligation.

48. Exclusive Dispute Resolution Process: All claims, disputes, or controversies in connection with, relating to and/or arising out of your Participation in the Auction or purchase of any lot, any interpretation of the Terms and Conditions of Sale or any amendments thereto, any description of any lot or condition report, any damage to any lot, any alleged verbal modification of any term of sale or condition report or description and/or any purported settlement whether asserted in contract, tort, under Federal or State statute or regulation or any claim made by you of a lot or your Participation in the auction involving the auction or a specific lot involving a warranty or representation of a consignor or other person or entity including Auctioneer { which claim you consent to be made a party} (collectively, "Claim") shall be exclusively heard by, and the claimant (or respondent as the case may be) and Heritage each consent to the Claim being presented in a confidential binding arbitration before a single arbitrator administrated by and conducted under the rules of, the American Arbitration Association. The locale for all such arbitrations shall be Dallas, Texas. The arbitrator's award may be enforced in any court of competent jurisdiction. If a Claim involves a consumer, exclusive subject matter jurisdiction for the Claim is in the State District Courts of Dallas County, Texas and the consumer consents to subject matter and in personam jurisdiction; further CONSUMER EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY. A consumer may elect arbitration as specified above. Any claim involving the purchase or sale of numismatic or related items may be submitted through binding PNG arbitration. Any Claim must be brought within two (2) years of the alleged breach, default or misrepresentation or the Claim is waived. Exemplary or punitive damages are not permitted and are waived. A Claim is not subject to class certification. Nothing herein shall be construed to extend the time of return or conditions and restrictions for return. This Agreement and any Claim shall be determined and construed under Texas law. The prevailing party (a party that is awarded substantial and material relief on its damage claim based on damages sought vs. awarded or the successful defense of a Claim based on damages sought vs. awarded) may be awarded its reasonable attorneys' fees and costs.

49. No claims of any kind can be considered after the settlements have been made with the consignors. Any dispute after the settlement date is strictly between the Bidder and consignor without involvement or responsibility of the Auctioneer.

50. In consideration of their participation in or application for the Auction, a person or entity (whether the successful Bidder, a Bidder, a purchaser and/or other Auction participant or registrant) agrees that all disputes in any way relating to, arising under, connected with, or incidental to these Terms and Conditions and purchases, or default in payment thereof, shall be arbitrated pursuant to the arbitration provision. In the event that any matter including actions to compel arbitration, construe the agreement, actions in aid of arbitration or otherwise needs to be litigated, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. For such actions, the successful Bidder, purchaser, or Auction participant also expressly submits himself to the personal jurisdiction of the State of Texas.

51. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

Miscellaneous:

52. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize the Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to the Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.

53. Acceptance of these Terms and Conditions qualifies Bidder as a client who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by the Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.

54. Rules of Construction: Auctioneer presents properties in a number of collectible fields, and as such, specific venues have promulgated supplemental Terms and Conditions. Nothing herein shall be construed to waive the general Terms and Conditions of Auction by these additional rules and shall be construed to give force and effect to the rules in their entirety.

State Notices:

Terms and Conditions of Auction

Additional Terms & Conditions:

COINS & CURRENCY

COINS and CURRENCY TERM A: Signature. Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS and CURRENCY TERM B: Auctions conducted solely on the Internet THREE (3) DAY RETURN POLICY: Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege unless otherwise noted in the description as "Sold As Is, No Return Lot". You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (877-HERITAGE (437-4824)) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price (\$10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS and CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

COINS and CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230, <http://www.ngccoin.com/services/writtenguarantee.asp>; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658; <http://www.pcg.com/guarantee.html>; ANACS, 6555 S. Kenton St. Ste. 303, Englewood, CO 80111; and Independent Coin Grading Co. (ICG), 7901 East Bellevue Ave., Suite 50, Englewood, CO 80111.

COINS and CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency, PMG, and CGA may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 9458, Newport Beach, CA 92658; Currency Grading & Authentication (CGA), PO Box 418, Three Bridges, NJ 08887. Third party graded notes are not returnable for any reason whatsoever.

COINS and CURRENCY TERM F: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be

liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS and CURRENCY TERM G: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reclassified to any future auction.

COINS and CURRENCY TERM H: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS and CURRENCY TERM I: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS and CURRENCY TERM J: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the non-certified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS and CURRENCY TERM K: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS and CURRENCY TERM L: NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

COINS and CURRENCY TERM M: For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

COINS and CURRENCY TERM N: Some of the lots offered herein have been assigned to 1031 Services, Inc. for the purpose of consignor's tax deferred exchange.

COINS and CURRENCY TERM O: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.
